## SUTERRA, LLC ANNOUNCES THE ADDITION OF TECHNICAL SALES MANAGER

Bend, Oregon (January 5, 2010) ---Suterra LLC, announced the addition of Michael Krebsbach, of Atascadero, California, to their US Sales Organization. Krebsbach will hold the position of Technical Sales Manager for the California coastal region.

Krebsbach brings thirty years of agricultural experience in many roles related to field and crop production in California. Prior to joining Suterra, Krebsbach worked for over 27 years with Monsanto Company in a sales capacity as well as being a PCA for thirty years. Krebsbach has held several positions within the industries various organizations, as a Director of the California Weed Science Society, an officer in CAPCA and was awarded the 1997 Educator of the year for PAPA. Krebsbach received his Bachelor of Science in Agricultural Business Management from Cal Poly, San Luis Obispo.

As a Technical Sales Manager for Suterra LLC, Krebsbach will contribute to the marketing and selling of Suterra's CheckMate, BioLure and Scenturion product lines.

Hector Absi, Director of Sales of Suterra, LLC, commented, "We are pleased to have Mike join Suterra. We are confident he will prove to be an asset to both our customers and to the Suterra team."

Suterra LLC, is a leading global provider of biorational pest control products for agriculture, industry and home owner use. Their brands are CheckMate for mating disruption, and BioLure and Scenturion for monitoring systems.
